

PartnerDirect
Registered

2010
E-CERTIFICATE

Registered partner status has been granted in 2010. The status requires renewal on an annual basis where the partner will be provided with an updated e-Certificate.

Registered Partner status implies only that the partner has registered on the Dell portal and is not an endorsement from Dell.

This certificate confirms that
IN-NEHS

has been awarded the status of
Registered Partner

in the Emerging Markets -
EMEA PartnerDirect Programme
